RESTORING

your driving privileges

JESSE  WHITE
SECRETARY OF STATE

DRIVING

is a privilege

As Secretary of State, I realize that the loss of driving privileges can cause great hardship for many individuals. Under Illinois law, drivers may apply for reinstatement or

a Restricted Driving Permit under certain conditions.

This brochure provides information about the reinstatement process and phone numbers of Secretary of State hearing officer locations statewide.

I assure you it is my top priority that only responsible, qualified drivers will have their driving privileges reinstated.

Terms and Definitions

Breath Alcohol Ignition Interlock Device (BAIID)

— A device that tests a driver's breath and prevents the vehicle from starting if alcohol is detected. A person issued an RDP who has received, in separate occurrences: 1) two or more DUI or reckless homicide convictions, or any combination thereof; or, 2) within 10 years, one DUI or reckless homicide conviction and one statutory summary suspension; or, 3) was convicted of driving while revoked due to reckless homicide, is only allowed to drive a vehicle equipped with a BAIID. An exception is allowed for a vehicle owned by the person's employer and used for employment purposes only. A person who has two or more ILLINOIS DUI convictions also is required to install a BAIID for 12 consecutive months on all vehicles registered in their name.

DUI disposition — A conviction or supervision, an implied consent or a statutory summary suspension for driving under the influence, or a conviction for reckless driving reduced from DUI, or reckless homicide or fatal accident if alcohol/drugs were shown to be a factor, occurring in any state.

Consultation — First step in applying for reinstatement of driving privileges or an RDP after suspension or revocation. Takes place with an informal hearing officer, who reviews the applicant's driving record and explains the documents required to apply for reinstatement of driving privileges or an RDP.

Denial — Refusal of any request for reinstatement or an RDP.

Eligibility date — Date a driver may be considered for reinstatement following revocation or extension order. If "proj. elig." indicates N/A, the driver is ineligible for reinstatement or an RDP.

Formal hearing — Required for a driver whose privileges have been suspended or revoked for an offense(s) involving a fatality or multiple DUI dispositions. A formal hearing must be requested in writing along with a \$50 filing fee.

Informal hearing — Required for a driver whose driving privileges have been suspended or revoked for an offense not involving a fatality or for a single DUI disposition. Held on a walk-in basis.

Proof of financial responsibility — Minimum liability insurance is required before reinstatement or issuance of an RDP. Must be filed with the Secretary of State's office in the form of a certified policy of insurance, cash deposit or surety bond, and must be maintained for three years. Insurance must be submitted on an SR-22 certificate.

Restricted Driving Permit (RDP) — Partial restoration of driving privileges, which allows a person to drive in certain areas and at certain times for employment, medical, child daycare or educational purposes when no other form of transportation is available. The driver must prove a hardship exists and submit proof of employment, support/recovery group meetings, need for medical care, child daycare verification, or an educational verification form and class schedule.

A person under statutory summary suspension for a second or third DUI within five years of the previous one is not eligible for relief. If convicted and imprisoned for reckless homicide or aggravated DUI that was a proximate cause of a death, no relief may be given until 24 months after release from imprisonment. If convicted of DUI a second or third time, no relief is allowed for one year from the effective date of the last revocation. Drivers under age 21 convicted for DUI are not eligible for an RDP until one year from the effective date of revocation.

Revocation — Loss of driving privileges for an indefinite period. A driver may apply for an RDP but cannot apply for reinstatement until eligible. To regain driving privileges, a driver must meet certain legal and administrative requirements. Permanent revocation after the fourth conviction for any combination of DUI, leaving the scene of a personal injury/fatal accident, or reckless homicide.

Reinstatement — Full restoration of driving privileges. Allows driving at any time and anywhere, provided the driver has obtained a valid driver's license and is not suspended or revoked or withdrawn in another state. **All revocations and most suspensions require a reinstatement fee.**

Statutory Summary Suspension — Administrative suspension of driving privileges resulting from a DUI arrest. A BAC of .08 percent or more, any trace of impairing drugs, or failure to complete or refusal to test for alcohol or other drugs results in an automatic suspension, effective the 46th day from the date the notice is given to the driver. This is separate from other criminal charges against the driver. **Driving relief can only be granted to first-time offenders after the first 30 days of suspension, and a BAID is required as a term of relief.**

Suspension — Loss of driving privileges for a period of time, generally not more than a 12-month period. A person may apply for an RDP to drive during a suspension; however, certain suspensions may not allow for an RDP.
